Moderator Bio

Mike Houston

T³ National Instructor
Riverside High School
Ellwood City, PA

Mike is in his fourteenth year of teaching high school mathematics in Ellwood City, PA. While participating in a TI-Navigator™ Fast-Track in 2007, he learned how technology can effectively cultivate students' wide range of learning styles. During this time, Mike has served as a T³ National Instructor and a contributing author for MathForward™.

Panelists' Bios

Jen Cezar

Grant Partnership Consultant, Texas Inst.

Dallas, TX

Jen Cezar is a Grant Partnership Consultant for Texas Instruments. Before coming to TI, she taught middle grades math and science for Carrollton-Farmers Branch ISD. Jen also taught science, health and special ed. for Grants-Cibola County Schools. Jen was the Curriculum Development Manager for the US Space & Rocket Center, where she and her team created the content used in the Space Camp and Aviation Challenge programs as well as unique learning experiences at the Space & Rocket Center Museum.

Doris Teague

Educational Consultant and Outreach

Dallas, TX

Doris Teague has experience in the development and implementation of GEAR UP programs in Texas. Past experience as a teacher, supervisor, project coordinator, grant writer and trainer, she is currently consulting with five GEAR UP partnerships and serves as a grants outreach consultant with Texas Instruments. Experience at local, state and national venues, including the National Center for Community and Educational Partnerships gives Ms. Teague a broad knowledge of education initiatives and practices.
