TI-84 Plus CE

Learn more:
education.ti.com/84CE

Familiar functionality in a sleek new design that features a crisp color screen

- 30% lighter and thinner than earlier TI-84 Plus models
- Vibrant backlit color screen
- TI Rechargeable Battery
- Available in a variety of fun colors

Surprisingly slimmer. Lots lighter. Totally TI-84 Plus.

The educational robotic vehicle that students program with their TI graphing calculators to explore topics in math, science, coding and STEM.
