TI-84 Plus CE

Learn more:
education.ti.com/84CE

Familiar functionality in a sleek new design that features a crisp color screen

- 30% lighter and thinner than earlier TI-84 Plus models
- Vibrant backlit color screen
- TI Rechargeable Battery
- Available in a variety of fun colors

Surprisingly slimmer. Lots lighter. Totally TI-84 Plus.

Free TI-84 Plus Classroom Activities

- Enhance your lesson plans and enable students to visualize mathematics in middle grades through high school topics.
- Search by state and national standards, subject, and grade level for lessons to meet your specific classroom needs.
