

TI Volume Purchase Program Update*

secondary

With the Volume Purchase Program, obtaining free equipment for educators is easy...

Who Qualifies

All Australian, Malaysian, New Zealand, Singaporean, Thailand schools and higher education institutions.

How to obtain free TI products

Collect the barcodes (shown at the back of the calculator box) from any TI graphing calculator.

Barcode example

Calculating your barcodes

TI Eighty Series Graphing Calculators contain one barcode.

The Voyage™ 200's contains two barcodes.

- Does not apply to special offers.
- Graphing calculator purchase only.

* As of July 2004
