

Instructions for the return of the calculators

Dear Workshop Loan Participant,

In order to facilitate the return of the Workshop Loan Cases, the following must be done :

- 1) Call the UPS freephone number : **08457 877 877**

Inform them that you have a case / some cases to be collected and advise them of the pick up location.

Size/Weight of the case(s) : _____

Texas Instruments UPS client Number : **A72314**

- 2) A pre-printed return airway bill with the Texas Instruments address is included with each shipment. Please ensure that this airway bill is attached to each case.
- 3) Each case must have the following details clearly marked on it :
 - Your postal address
 - Texas Instruments postal address
 - UPS client Number

Thank you for your cooperation
