

If you require or highly recommend the use of a financial calculator on your course, Texas Instruments would like that calculator to be the BA II Plus™.

To receive a FREE BA II Plus for your personal use:

- Please complete the following form and send or fax it to the address below.
- Include a copy of your syllabus clearly stating the requirement or recommendation of the BA II Plus OR a letter requesting a calculator to evaluate.

This offer is limited to one calculator per person.

Your title and name _____

Job Title _____

College or University _____

Address _____

Postcode _____

Telephone _____

Email _____

Name of course(s)	Number of students	Percent using a TI calculator

Please complete this form and send it to:
