Co-ordinate Geometry 1

Exercise 1

Draw the house on a co-ordinate plane using the following co-ordinates:

$\{(1,2), (1,4), (3,6), (5,2), (5,4)\}$

- 1: Press the 2nd button
- 2: Press the DRAW (same as PRGM button)
- 3: Press the right arrow to select POINTS
- 4: Pt-on(
- 5: Press Enter

Input the following co-ordinates:

Pt-on(1,2):Pt-on(1,4):Pt-on(3,6):

Pt-on(5,2):Pt-on(5,4)

- 6: Press Enter

7: 2nd DRAW + STO

8: Store as picture 1

Exercise 2

Create a star with your own set of co-ordinates.

Exercise 3

Now create your own picture with some shapes!
