

Nevada Funding Opportunities

INDEX OF FUNDING RESOURCES

NOTE: Some federal and private grant listings in this document may have expired deadlines. We continue to include these listings because the funding resource is highly likely to be re-opened for grant competition in future years. Along with the descriptive information provided, the funding opportunity listed contains both contact information and links that may assist you in your research. From a grant writing perspective, it may take almost a year to prepare, submit, and receive a response from the funding source. Therefore, reviewing both expired grants and awarded grants may be helpful in preparing for future funding applications. For more information on grant writing strategies, view our [Successful Grant Writing Strategies](#) document available on our website.

Private	NEA Student Achievement Grants http://www.neafoundation.org/programs/StudentAchievement_Guidelines.htm	The NEA Foundation provides grants to improve the academic achievement of students in U.S. public schools and public higher education institutions in any subject area(s). The proposed work should engage students in critical thinking and problem solving that deepen their knowledge of standards-based subject matter. The work should also improve students' habits of inquiry, self-directed learning, and critical reflection. Proposals for work resulting in low-income and minority student success with honors, advanced placement, or other challenging curricula are particularly encouraged. Level(s): K-12, Professional Development Amount(s): \$5,000	Instruction(s): Guidelines are located on the website. Date(s): Applications may be submitted year-round but are reviewed three times a year. Dates are posted online. Special Note(s): Applicants must be practicing U.S. -public school teachers in grades PreK-12, -public school education support professionals, or -faculty or staff at public higher education institutions. Grant funds may be used for resource materials, supplies, equipment, transportation, software, or scholars-in-residence. Although some funds may be used to support the professional development necessary to implement the project, the majority of grant funds must be spent on materials or educational experiences for students.	The NEA Foundation Attn: Student Achievement Grants 1201 Sixteenth Street NW Suite 416 Washington, DC 20036-3207
Private	Nevada Community Foundation http://www.nevadacf.org/	Through the Traditional Grant Process, organizations may submit applications that support innovative charitable projects and programs aimed at improving the quality of life for citizens of southern Nevada.
