INDEX OF FUNDING RESOURCES

NOTE: Some federal and private grant listings in this document may have expired deadlines. We continue to include these listings because the funding resource is highly likely to be re-opened for grant competition in future years. Along with the descriptive information provided, the funding opportunity listed contains both contact information and links that may assist you in your research. From a grant writing perspective, it may take almost a year to prepare, submit, and receive a response from the funding source. Therefore, reviewing both expired grants and awarded grants may be helpful in preparing for future funding applications. For more information on grant writing strategies, view our [Successful Grant Writing Strategies](#) document available on our website.

Grants for teachers/students are noted with color.

2010 Deadline: 5/14/10	2010-2011 21st Century Community Learning Centers (Title IV, Part B) http://epage.doe.nv.gov/epage/doc/lib/doclib_group.asp?DocGroupID=1780 http://nde.doe.nv.gov/QRY_AZ.asp	This program supports the creation of community learning centers that provide academic enrichment opportunities for children, particularly students who attend high-poverty and low-performing schools. The program: -Helps students meet state and local student standards in core academic subjects, such as reading and math; -Offers students a broad array of enrichment activities that can complement their regular academic programs; and -Offers literacy and other educational services to the families of participating children. Levels: K-12 Amounts: \$1,300,000	Instructions: Application closed. Special Notes: Information is located in the Office of Special Education, ESEA, & School Improvement.	Sharyn Peal Consultant, Elementary & Secondary Ed Program NV Department of Education 700 East 5th Street Carson City, NV 89701 Phone: (775) 687-9212 speal@doe.nv.gov
2010 Deadline: 5/28/10	2010-2011 Carl D. Perkins Career and Technical Education Improvement Act of 2006 – Reserve Funds Competitive Grants http://nde.doe.nv.gov/CTE/PerkinsGrant/FY2011/FY11_Reserve_Compertitive_RFA.pdf	Agencies receiving reserve funds must meet the following additional guidelines relating to career and technical education training programs in order to be considered for funding: (A) Priority #1: Projects that focus on health sciences education that meet the above criteria. Funds will be awarded to develop and expand programs. (B) Priority #2: Projects that support innovative program development, expansion and improvement for areas of high local need. (C) Projects must establish secondary and postsecondary collaborative models and partnerships. (D) A description of how the project will be sustained in the absence of future funding by leveraging funds or resources that will help to ensure a comprehensive approach to project success. (E) Projects are encouraged to incorporate distant learning technologies to expand opportunities for students in rural areas. Levels: K-12	Instructions: Application closed. Special Notes: Eligible recipients are local educational agencies that serve secondary students enrolled in career and technical education programs and have administrative control and responsibility for the direction of public elementary and secondary schools legally authorized to provide public education for grades K-12, or any other public agency having administrative responsibility for a career and technical education programs. In Nevada, the eligible recipients for the secondary portion of the local formula funds are the sixteen school districts that provide secondary career and technical education programs. Eligible recipients also include postsecondary institutions that have administrative control and responsibility for the direction of public postsecondary education and are legally authorized to provide public education at the postsecondary level in Nevada. Application open to public comment until April 4, 2011	2011-2012 Individuals with Disabilities Education Act, Part B, Section 611 Application Site: http://nde.doe.nv.gov/SpecialEducation_Applications.htm http://nde.doe.nv.gov/QRY_AZ.asp Special Education Site: http://nde.doe.nv.gov/SpecialEducation.htm	Individuals with Disabilities Education Act is the nation's special-education law. States receive federal funding through formula grants, but are required to provide free appropriate public education (FAPE) in the least restrictive environment (LRE). Grants are provided to children from birth to 21 through either early intervention (age birth to 3) or a vast array of service for children age 3-21. Federal funds are combined with state and local funds to provide free appropriate public education to children with disabilities. This includes special education and related services. Funds are used for salaries of teachers and other personnel, education materials, education-related services - such as special transportation or occupational therapy that allow children with disabilities to access education services -and other education-related needs.	Instructions: Application is currently open to comment until April 4, 2011. http://nde.doe.nv.gov/SpecialEdApplications/applicationPartB_IDEA_FFY2011-SFYYear2012.pdf Special Notes: N/A	Rose Fitzpatrick Assistant Director of Special Education Bureau of Early Intervention Services 3427 Goni Road, Suite 108 Carson City, NV 89701 Phone: (775) 687-9215 Fax: (775) 684-3486

2011 Deadline 8/1/11	Toshiba America Foundation – Grants Program for 6-12 Science and Math Education http://www.toshiba.com/tafpub/upload/page/100045/25964_Executive.pdf	Toshiba America Foundation encourages projects with potential for improving classroom teaching and learning in science and mathematics. The Foundation strongly encourages projects planned and led by individual teachers or teams of teachers for their own classrooms. In addition, projects funded by the Foundation enable forward thinking teachers to use science and mathematics to engage students in positive and challenging learning experiences. Many successful grantees have designed projects that have tapped into the natural curiosity of their students, have enabled students to frame their own scientific questions, and have incorporated the expertise of community partners. Levels: Grades 6-12 Amounts: \$1,000,000	Instructions: Review the .pdf for detailed instructions for applying. Special Notes: The grants program is national in scope. Proposals are welcome from public and private (non-profit) schools throughout the United States. The Foundation has also made a special commitment to support projects in regions where Toshiba America Group companies have offices.	Before submitting a completed proposal, teachers are encouraged to call the Toshiba America Foundation team to discuss their project ideas. Toshiba America Foundation 1251 Avenue of Americas 41st Floor New York, NY 10020 Phone: (212) 596-0620 foundation@tai.toshiba.com
