

United States Funding Opportunities

INDEX OF FUNDING RESOURCES

NOTE: Some federal and private grant listings in this document may have expired deadlines. We continue to include these listings because the funding resource is highly likely to be re-opened for grant competition in future years. Along with the descriptive information provided, the funding opportunity listed contains both contact information and links that may assist you in your research. From a grant writing perspective, it may take almost a year to prepare, submit, and receive a response from the funding source. Therefore, reviewing both expired grants and awarded grants may be helpful in preparing for future funding applications. For more information on grant writing strategies, view our [Successful Grant Writing Strategies](#) document available on our website.

Federal	21st Century Community Learning Centers CFDA Number: 84.287 http://www.ed.gov/programs/21stcclc/index.html	<p>This program supports the creation of community learning centers that provide academic enrichment opportunities during non-school hours for children, particularly students who attend high-poverty and low-performing schools. The program helps students meet state and local student standards in core academic subjects, such as reading and math; offers students a broad array of enrichment activities that can complement their regular academic programs; and offers literacy and other educational services to the families of participating children. A more detailed list of permissible uses is located at: http://www.ed.gov/programs/21stcclc/applicant.html</p> <p>Level(s): K-12</p> <p>Amount(s): Fiscal Year 2008-FY2010 State Tables for the US Department of Education is located at: http://www.ed.gov/about/overview/budget/state/tables/index.html</p> <p>Additional federal budget amounts are located at: http://www.ed.gov/about/overview/budget/tables.html?src=rt</p>	<p>Instruction(s): Formula grants are awarded to State educational agencies, which in turn manage statewide competitions and award grants to eligible entities. For specific state details, state contact information is located on the federal website at: http://www.ed.gov/programs/21stcclc/contacts.html</p> <p>Date(s): Due dates vary according to state applications. Information regarding due dates can be located at the state website.</p> <p>Special Note(s): For this program, eligible entity means a local educational agency, community-based organization, another public or private entity, or a consortium of two or more of such agencies, organizations, or entities. States must give priority to applications that are jointly submitted by a local educational agency and a community-based organization or other public or private entity. Faith-based organizations are also eligible to apply.</p>	<p>Peter Eldridge US Department of Education 21st Century Community Learning Centers 400 Maryland Ave., S.W. Federal	ARRA Enhancing Education Through Technology http://www.ed.gov/programs/edtech/factsheet.html http://www.ed.gov/programs/edtech/index.html ARRA Guidance Document: http://www.ed.gov/programs/edtech/legislation.html	The primary goal of the Ed Tech Grants program is to improve student academic achievement through the use of technology in schools. It is also designed to help ensure that every student is technologically literate by the end of eighth grade and to encourage the effective integration of technology with teacher training and curriculum development. The program also enables districts to acquire new and emerging technologies, create new, state-of-the-art learning environments, and offer new training and more support for teachers so that students acquire the technological skills they will need to compete in a global economy. Level(s): K-12 Amount(s): Federal budget information is located at: http://www.ed.gov/about/overview/budget/tables.html?src=rt	Instruction(s): States apply to the federal government for funding and the state redistributes the funding to the LEAs. The Department strongly encourages States to award all of the funds competitively. Larger, competitive grants potentially will have a greater impact than smaller formula grants awarded across all of a state's districts. Date(s): Initial funding was released July 2009. ARRA State Fact Sheet was posted August 19, 2009 and is located at: http://www.ed.gov/policy/gen/leg/recovery/state-fact-sheets/index.html Special Note(s): Additional federal ARRA factsheet is located at: http://www.ed.gov/programs/edtech/factsheet.pdf ARRA expenditures must be tracked separately from the yearly awards. Federal	Title I, Part A - Improving Basic Programs Operated by Local Education Agencies CFDA Number: 84.010 http://www.ed.gov/programs/titleiparta/index.html	The No Child Left Behind Act impacts several initiatives for the improvement of education in the United States. Title I, Improving the Academic Achievement of the Disadvantaged, proposes its foremost initiative entitled Improving Basic Programs Operated by LEA's (NCLB; Title I, Section A) and is the highest federally funded program by the United States government. The program encourages flexibility in funding to high-need schools that will allow them to implement programs to better train their staff and professionals, introduce an assessment form for accountability for the success of their students, focuses on scientifically researched teaching methods, and increases the power parents have over selecting the public school that their child is allowed to attend.	Instruction(s): The Department allocates all but 1 percent of appropriated funds to local educational agencies (LEAs) through participating SEAs. Frequently, the application instructions are part of the state's Consolidated Application and due dates vary. State contact information is located at: http://www.ed.gov/programs/titleiparta/contacts.html Date(s): Due dates vary, contact state education website for details. Special Note(s): LEAs target the Title I funds they receive to public schools with the highest percentages of children from low-income families. Unless a participating school is operating a schoolwide program, the school	Susan Wilhelm U.S. Department of Education, OESE Student Achievement and School Accountability Programs 400 Maryland Ave. S.W., Room 3W202, FB-6 Washington, DC 20202-6132 Phone: (202) 260-0984 (800) 872-5327 or (800) USA-LEARN Fax: (202) 260-7764 Susan.wilhelm@ed.gov
