

Virginia Funding Opportunities

INDEX OF FUNDING RESOURCES

NOTE: Some federal and private grant listings in this document may have expired deadlines. We continue to include these listings because the funding resource is highly likely to be re-opened for grant competition in future years. Along with the descriptive information provided, the funding opportunity listed contains both contact information and links that may assist you in your research. From a grant writing perspective, it may take almost a year to prepare, submit, and receive a response from the funding source. Therefore, reviewing both expired grants and awarded grants may be helpful in preparing for future funding applications. For more information on grant writing strategies, view our [Successful Grant Writing Strategies](#) document available on our website.

Grants for teachers/students are noted with **color**.

Federal Sources				
2011 Deadline 5/6/11	2010-2011 21st Century Community Learning Centers (Title IV, Part B) http://www.doe.virginia.gov/federal_programs/esea/title4/part_b/index.shtml http://www.doe.virginia.gov/news/ews_releases/2011/mar29.shtml	The 21st Century Community Learning Centers (Title IV, Part B) program supports the creation of opportunities for academic enrichment during non-school hours for children, particularly students who attend high-poverty and low-performing schools. The program helps students meet state and local standards in core academic subjects, such as reading and mathematics; offers students enrichment activities that complement regular academic programs; and offers literacy and other educational services to the families of participating children. Levels: Middle/High School Amounts: Approximately 30 3-yr grants will be awarded, ranging from \$50,000 to \$200,000	Instructions: Application details available online. Special Notes: VDOE funds, through a competitive process, projects that provide significant expanded learning opportunities for children and youth, and that will assist students to meet or exceed state and local standards in core academic subjects.	Duane Sergent Office of Program Administration and Accountability Virginia Department of Education PO Box 2120 Richmond, VA 23218-2120 Phone: (804) 371-2929 Duane.Sergent@doe.virginia.gov
2011 Deadline 4/29/11	2010-2011 Carl D. Perkins Career and Technical Education Act of 2006 (Title II, Section 207; 20) http://www.doe.virginia.gov/federal_programs/carl_perkins/index.shtml	The purpose of the Carl D. Perkins Act is to develop more fully the academic, vocational and technical skills of secondary and postsecondary students who elect to enroll in vocational and technical education programs, by -building on the efforts of States and localities to develop challenging academic standards; -promoting the development of services and activities that integrate academic, vocational and technical education students; -increasing State and local flexibility in providing services and activities designed to develop, implement and improve vocational and technical education, including tech-prep; disseminating national research, and providing professional development and technical assistance, that will improve vocational and technical education programs, services and activities; -building on the efforts of States and localities	Instructions: Perkins CTE local plans and budgets must be submitted to VDOE via OMEGA (online grant application system). Training sessions were offered via Webinar in March. Special Notes: N/A	W. Terry Dougherty Grants Administrator (804) 225-3349 Terry.Dougherty@doe.virginia.gov
