

Virginia Funding Opportunities

INDEX OF FUNDING RESOURCES

NOTE: Some federal and private grant listings in this document may have expired deadlines. We continue to include these listings because the funding resource is highly likely to be re-opened for grant competition in future years. Along with the descriptive information provided, the funding opportunity listed contains both contact information and links that may assist you in your research. From a grant writing perspective, it may take almost a year to prepare, submit, and receive a response from the funding source. Therefore, reviewing both expired grants and awarded grants may be helpful in preparing for future funding applications. For more information on grant writing strategies, view our [Successful Grant Writing Strategies](#) document available on our website.

Federal	The School Improvement Fund (SIF) http://www.doe.virginia.gov/VDOE/SchoolImprovement/application_title1_funds.doc http://www.doe.virginia.gov/VDOE/nclb/	The School Improvement Fund (SIF) is established by the state to support areas directly related to increasing student achievement. Improving schools is a joint responsibility for schools, local educational agencies (LEASs), and State educational agencies (SEAs). Section 1003 (g) of Title I of the Elementary and Secondary Education Act (ESEA), also known as the School Improvement Fund, authorizes funds to help SEAs and LEAs address the needs of schools in improvement, corrective action, and restructuring in order to improve student achievement. School districts, education service districts, and other eligible programs have flexibility within the grant guidelines for determining specific evidenced-based areas that will lead to school improvement. Level(s): K-12 Amount(s): \$8,100,000	Instruction(s): Application closed. Date(s): Application was due 6/15/09. Grant period is 7/1/09 through 6/30/10. Special Note(s): Title I schools in improvement status during the 2007-2008 school year are eligible to receive Title I School Improvement funds for use in the upcoming school year. Private	<p>Toshiba America Foundation – Grants Program for 7-12 Science and Math Education</p> <p>http://www.toshiba.com/tafpub/upload/page/100045/25964_Executive_e.pdf</p>	<p>Toshiba America Foundation encourages projects with potential for improving classroom teaching and learning in science and mathematics. The Foundation strongly encourages projects planned and led by individual teachers or teams of teachers for their own classrooms. In addition, projects funded by the Foundation enable forward thinking teachers to use science and mathematics to engage students in positive and challenging learning experiences. Many successful grantees have designed projects that have tapped into the natural curiosity of their students, have enabled students to frame their own scientific questions, and have incorporated the expertise of community</p>	<p>Instruction(s): Review the .pdf for detailed instructions for applying.</p> <p>Date(s): For Grants of \$5,000 or less Decisions about grants under \$5,000 are made on a rolling basis and applications are accepted throughout the year. For Grants Larger than \$5,000 The Board of Directors approves large grant requests twice a year. Large grants are usually awarded in March and September. Applicants should submit their large grant proposals no later than either February 1st or August 1st. When deadlines fall on a weekend or holiday, applications will be due on the first business day of the month.</p>	<p>Toshiba America Foundation 1251 Avenue of Americas 41st Floor New York, NY 10020</p> <p>Phone: (212) 596-0620 foundation@tai.toshiba.com</p>
