INDEX OF FUNDING RESOURCES

NOTE: Some federal and private grant listings in this document may have expired deadlines. We continue to include these listings because the funding resource is highly likely to be re-opened for grant competition in future years. Along with the descriptive information provided, the funding opportunity listed contains both contact information and links that may assist you in your research. From a grant writing perspective, it may take almost a year to prepare, submit, and receive a response from the funding source. Therefore, reviewing both expired grants and awarded grants may be helpful in preparing for future funding applications. For more information on grant writing strategies, view our [Successful Grant Writing Strategies](#) document available on our website.

Grants for teachers/students are noted with **color**.

Ongoing	Charles Lafitte Foundation http://charleslafitte.org/	The mission of the Education Program is to encourage the attainment of knowledge and skills and the practice of responsible citizenship through access to effective learning opportunities. The Foundation provides support for innovative programs aimed at resolving social service issues, assisting students with learning disabilities, providing technology and computer based education, creating access to education of the arts, supporting at-risk children from pre-school to college and providing learning enhancement, including the development of leadership skills. The Education Program includes support for research and conferences as well as support for programs that promote academic excellence in institutions of higher learning. Level(s): PreSchool-Post-Secondary Amount(s): Varies	Instruction(s): Grant requests can be made at any time for support of activities related to Foundation program areas and interests. The Foundation funds organizations throughout the country but is limited to supporting 501c-3 institutions. Date(s): The Foundation has no deadlines or standard forms. They prefer concise, well-organized proposals. In no case should the body of the proposal exceed 10 double-spaced pages. The Foundation prefers proposals sent by e-mail. A brief letter of inquiry, rather than a fully developed proposal, is an advisable first step for an applicant, conserving his or her time and allowing for a preliminary response regarding the possibility of support. The Foundation will contact you if it desires a full proposal. Due to the large number of inquiries it is unable to respond to all requests.
