

Massachusetts Funding Opportunities

INDEX OF FUNDING RESOURCES

NOTE: You may see grant listings in this document that have expired deadlines. We continue to include these announcements because the funding resource is highly likely to continue the grant competition in future years. In addition, from a grant writing preparation perspective, it may take almost a year to prepare, submit, and receive a response from the funding source. Therefore, reviewing both expired grants and awarded grants could be the first step in preparation for the round of funding of interest to you. For more information on grant writing strategies, view our **Successful Grant Writing Strategies** document available on the Texas Instrument's website.

Private	Toshiba America Foundation – Grants Program for 7-12 Science and Math Education http://www.toshiba.com/tafpub/upload/page/100045/25964_Executive.pdf	Toshiba America Foundation encourages projects with potential for improving classroom teaching and learning in science and mathematics. The Foundation strongly encourages projects planned and led by individual teachers or teams of teachers for their own classrooms. In addition, projects funded by the Foundation enable forward thinking teachers to use science and mathematics to engage students in positive and challenging learning experiences. Many successful grantees have designed projects that have tapped into the natural curiosity of their students, have enabled students to frame their own scientific questions, and have incorporated the expertise of community partners. Level(s): Grades 7-12 Amount(s): \$1,000,000	Instruction(s): Review the .pdf for detailed instructions for applying. Date(s): For Grants of \$5,000 or less Decisions about grants under \$5,000 are made on a rolling basis and applications are accepted throughout the year. For Grants Larger than \$5,000 The Board of Directors approves large grant requests twice a year. Large grants are usually awarded in March and September. Applicants should submit their large grant proposals no later than either February 1st or August 1st. When deadlines fall on a weekend or holiday, applications will be due on the first business day of the month. Special Note(s): The grants program is national in scope. Proposals are welcome from public and private (non-profit) schools throughout the United States. The Foundation has also made a special commitment to support projects in regions where Toshiba America Group companies have offices.
