### INDEX OF FUNDING RESOURCES

**NOTE:** Some federal and private grant listings in this document may have expired deadlines. We continue to include these listings because the funding resource is highly likely to be re-opened for grant competition in future years. Along with the descriptive information provided, the funding opportunity listed contains both contact information and links that may assist you in your research. From a grant writing perspective, it may take almost a year to prepare, submit, and receive a response from the funding source. Therefore, reviewing both expired grants and awarded grants may be helpful in preparing for future funding applications. For more information on grant writing strategies, view our [Successful Grant Writing Strategies](#) document available on our website.

Grants for teachers/students are noted with color.
