

Order Form: TI Pre-Service Teacher Discount Program

As a pre-service teacher, you have the opportunity to purchase single units of the following TI products at a discounted price. If you or your professor wish to purchase multiple units of any one product listed on this product order form, you should plan to visit your local retailer or a TI Instructional Product Dealer. Orders for multiple units of any one product listed through the TI Pre-Service Teacher Discount Program will be considered void. Please be sure to research your product selections by visiting education.ti.com. Texas Instruments will not offer refunds or exchanges through this program.

Choose from among the following list of TI educational technology products.
