

TI User Group Meeting Agenda

Organizer: _____

Please review: Assigning a small amount of “homework” will encourage participants to practice on their own and bring more issues to next month’s meeting.

Special Guests: Invite your local ETC (Education Technology Consultant) to your meeting. Go to education.ti.com/states to contact the ETC for your state.

Please bring: Consider listing items such as graphing calculators, notebooks, pencils, compass, rulers, etc.

Agenda Items

Topic: _____

Meeting Logistics:

Is this a good time/location to meet?

What do you hope to gain from our TI User Group meetings?

What do you hope to contribute to our TI User Group meetings?

What are some achievable goals we can set for our group?

What are some achievable goals you can set for yourself?

What specific technology/topics would you like to see included?

Other Information

Equipment:

Do you have a TI handheld to bring to the meetings or should we borrow technology from TI?

Bring a Friend:

Invite a friend or colleague to the next TI User Group Meeting.

Higher Ed:

Invite local college professors and their pre-service teachers to join the TI User Group.
