### The Language of Chance

#### Activity 1

Cut out the **chance words and phrases** and sort them into groups according to their probability. Glue on a piece of paper. Record a chance word or phrase that would represent each group created.

Out of the question	Sure thing
In the bag	One in a million
Possibly	Pig's might fly
Maybe	Impossible
Long shot	Sporting chance
Fairly likely	Even chance
Ten to one	Safe bet
Once in a blue moon	Perhaps

### Activity 2

Look for examples of chance words and phrases in magazines or newspapers to cut out and include in the groups you have created. You can also record your own chance words and phrases that would fit in each of the groups.

### Activity 3

Select a word or phrase from each group and record an event or situation that would match each of those chance cards.
