

The First Twelve Days of School

**On the twelfth day of school,
My parents gave to me:**

**TWELVE Lincoln pennies,
ELEVEN dented dimes,
TEN soiled quarters,
NINE nicked nickels,
EIGHT new half dollars,
SEVEN silver shillings,
SIX Susan B. Anthony dollars,
FIVE Spanish doubloons,
FOUR steel wheat pennies,
THREE Roosevelt dimes,
TWO Romanov rubles, and
An ancient double eagle gold coin.**

How many coins would you receive on the first day?

How many coins would you receive on the second day?

How many coins would you receive on both days together?
