

Taking a Quiz on the Navigator System

1. Plug your calculator into the hub and turn the calculator on
2. Wait for me to let you know class has begun
3. Click on the purple **APPS** button, go down to **NavNet**, then press enter
4. Press any key to get to the login screen
5. Type in your username (last name first initial) and your password you chose last time, then enter
6. Wait for me to let you know the quiz is sent to your calculator
7. Press the button below the word **BACK** when it says transfers complete
8. Arrow down to **NETWORK APPS** and press enter
9. Press enter to choose **LearnChk**
10. The name of the assignment should appear
11. Press enter to start the assignment
12. Press enter to view the first screen
13. Read each screen and do what it asks you to do
14. To move on to the next screen press the button below the word **NEXT**
15. If you need to go back to a previous question:
 - a. Click the button below the word **MENU**
 - b. Arrow down to **PREVIOUS ITEM** and press enter
16. When you are completely finished with the quiz you will be taken back to the screen that lists the questions
17. Press the button below the word **MENU**
18. Arrow down to **TURN IN (network)** and press enter

You are now finished with your quiz. I will let you know how you did after all the results are collected and I have had a chance to view them.
