

2017 T³ International Conference

March 10-12, 2017, Chicago, Illinois

Created and presented by teachers for teachers, the 2017 Teachers Teaching with Technology™ (T³) International Conference is a unique opportunity to explore effective methods for integrating TI technology and resources to stimulate student success in math, science and STEM* education.

Tim Kanold, Ph.D., award-winning educator, author, and PLC expert will deliver the keynote address.

COME LEARN and collaborate with a community of like-minded educators to leverage TI technology in new ways to support your STEM initiatives and enhance student understanding.

GO TEACH with renewed enthusiasm and greater expertise to engage students in rich experiences of discovery and real-world connection in the math and science classroom.
