EUROPEAN UNION'S REACH DECLARATION CERTIFICATE FOR TI EDUCATION TECHNOLOGY (ET) PRODUCTS and/or its packaging

The *Registration, Evaluation, Authorization, and Restriction of Chemicals Regulation* EC 1907/2006, commonly referred to as REACH, is a European regulation on chemicals and their safe use. The publication of candidate lists, is dynamic and can be found in link below <http://echa.europa.eu/candidate-list-table>

For authorization, the European Chemicals Agency identifies sets of substances of very high concern (SVHC) that manufacturers must disclose to customers if used in articles in their products above 0.1% by weight. Based on the current version of the candidate list for authorization, Texas Instruments Education Technology products and/or its packaging do not contain SVHCs above 0.1% limit. It is the use of Lithium-ion and Coin cell batteries "articles" contained in our products, which may contain the following SVHCs above the disclosure threshold:

SVHC	CAS Number	Individual articles which may contain the substance above 0.1% by weight.	Products
1,3-propanesultone	1120-71-4	Lithium-ion Batteries	Graphing Calculators
1,2-dimethoxyethane	110-71-4	Coin cell batteries	Scientific, Financial, Elementary, Basic Calculators

Texas Instruments Education Technology supports the overall REACH objective of improving the protection of human health and the environment and meets all applicable REACH requirements. Texas Instruments is strongly committed to working with customers and supply chain to define and implement REACH requirements and ensure a smooth transition to compliance.

Important Information and Disclaimer: TI bases its material content knowledge on information provided by third parties and has taken and continues to take reasonable steps to provide representative and accurate information, but may not have conducted destructive testing or chemical analysis on incoming materials and chemicals. Unless otherwise provided by written agreement signed by the parties, TI's standard warranty and limitation of liability terms provided inside each product package applies to the representations provided herein.
