Virtual Conference

#T3IC

T³IC goes virtual for 2021

Join us online Feb. 13, 20 and 27, 2021. Get the details and register at education.ti.com/t3ic.

We are excited to bring you the 33rd annual T³IC in an all-virtual format. Let's come together to encourage, engage and empower each other in this shared learning experience.

What to expect:

- » Dynamic sessions led by thought-leaders in math, science and STEM education
- » New strategies and resources for using TI technology to engage students
- » Connecting with a global community of educators
- » Special events and opportunities to win fun prizes

A full day focused on AP[®] Calculus

AP[®] Calculus Teaching and Learning:
Rising to the Challenge

Choose from dozens of sessions on:

- » Effective teaching strategies
- » Coding
- » Essential technology skills
- » STEM projects
- » Virtual teaching
- » Data collection and analysis
- » Test preparation
- » And more
- » Assessment design

Keynote speaker

Dan Finkel, Ph.D.

Founder
Math For Love
