Moderator Bio

Mike Houston

T³ National Instructor

Ellwood City, PA

Mike is in his sixteenth year of teaching high school mathematics in Ellwood City, PA. While participating in a TI-Navigator™ Fast-Track in 2007, he learned how technology can effectively cultivate students' wide range of learning styles. During this time, Mike has served as a T³ National Instructor. Mike is also the coauthor of: *On the Money: Mathematics Activities to Build Financial Literacy Grades K-5*.

Panelists' Bios

Dennis Wilson

**Product Development,
Texas Instruments**

Fairburn, GA

For the last 24 years, Dennis has been teaching at Landmark Christian School in Fairburn, GA. He has taught every level of math offered at Landmark from 5th grade to Multivariable Calculus II. In 2012, Dennis presents annually at multiple conferences on technology use in the math classroom. He has served as an AP* Reader for Calculus for the past five years and formerly served as the president of the Georgia Association of AP Math Teachers.

Margo Mankus

**Product Development,
Texas Instruments**

Dallas, TX

Margo is currently the Product Development Manager for the TI-84 Plus Classroom Solution at TI. She enjoys working with TI software developers and teams of educators to bring the educators' "wish-list" to the graphing calculator classroom. Margo is an Applied Mathematician and enjoyed a fulfilling university teaching career, teaching Math majors and pre-service elementary and secondary teachers across the United States.
