Agenda

- Welcome & Introductions
- Plan for the Session
- Multiple Choice Questions: Technology vs. Formula Sheet
- Free Response Questions: Showing Work when Using Technology
- Webinar drawing

Expected Outcomes

I CAN help students use **STAT TESTS** with the TI-84 Plus CE or Confidence Intervals and Stat Tests with the TI-Nspire CX™ to perform inference calculations on the AP® Statistics Exam.

I CAN show students how to use probability distributions to calculate probabilities, percentiles, and p -values on the AP® Statistics Exam.

I CAN advise students on when to use technology versus the formula sheet to answer questions about probability distributions and inference on the AP® Statistics Exam.
