High School Algebra with the TI-83/84 Training
Monday and Tuesday, July 23rd & 24th from 8:30am-3:30pm at the
Cayuga-Onondaga Teacher Center, 100 Genesee Street, Auburn, NY 13021

The presenter will be Mr. Dana Morse, T³ Regional Instructor and Teacher
within the Skaneateles Mathematics Department.

This class will introduce ways of incorporating graphing technology into your algebra
lessons to enrich instruction and extend your students’ comprehension.
You will learn essential algebra topics such as solving equations, transformations,
systems of inequalities, and factoring.

You will learn all the essentials to Math A and Integrated Algebra.
The primary focus of this course is to use the TI-83 and TI-84 family of graphing
calculators to enhance the teaching and learning of algebra.

This class is offered as part of Texas Instruments T³ Outreach Program.
